INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents

Washington, D.C. 20231

Sirs:

Applicant respectfully requests that the citations identified in the accompanying PTO Form 1449, listed in reverse chronological order, be considered by the Examiner and made of record in the accompanying, above-captioned patent application.

In view of the number of citations identified, Applicant respectfully invites the Examiner's attention to the following citations, which Applicant believes are of particular relevance to the accompanying, above-captioned application:

U.S. Patent No. 5,628,798 to Eggleston, et al;

U.S. Patent No. 5,489,299 to Schacher;

U.S. Patent No. 5,192,319 to Worst;

U.S. Patent No. 4,769,035 to Kelman;

U.S. Patent No. 4,676,792 to Praeger;

U.S. Patent No. 4,871,363 to Kelman;

U.S. Patent No. 2,834,023 to Lieb;

Colin, et al., Refractive and Corneal Surgery 6:245-251 (1990);

Baikoff, et al., Refractive and Corneal Surgery 6:252-260 (1990);

Apple, et al., In Intraocular Lenses: Evolution, m Designs, Complications & Pathology (William & Wilkens, Baltimore) Chapter 3, pp. 45-58 (1989);

Apple, et al., In Intraocular Lenses: Evolution, m Designs, Complications & Pathology (William & Wilkens, Baltimore) Chapter 4, pp. 59-105 (1989);

Perez-Santonja, et al, J. Cataract-Refract. Surg. 22:183-187 (March 1996), Kaufman, et al., J. Cataract-Refract. Surg. 23:815 (July/August 1997), and Perez-Santonja, et al. J. Cataract-Refract. Surg. 23:816-817 (July/August 1997); and

Ophthalmolgy Alert 1(11):41-42, Comment (November 1990).

Copies of the above-identified citations along with copies of all of the citations identified on the accompanying PTO Form 1449 are not required, as they were provided to the Examiner in U.S. application Serial No. 09/282,476, filed March 31, 1999 (to which the above-captioned application claims priority), with the exception of Colin, et al. Refractive and Corneal Surgery 6:245-251 (1990) and Baikoff, et al. Refractive and Corneal Surgery 6:252-260 (1990) which are not in Applicant's possession at this time.

Identification of any of the citations listed above or listed in the attached PTO Form 1449 is not to be construed as an admission of Applicant or Attorneys for

Applicant that such citations are available as "prior art" against the accompanying application.

Applicant does not believe any fee is required herewith for submission of this information disclosure statement.

Respectfully submitted,

BAKER & BOTTS, L.L.P.
